

National Center for CryoEM Access and Training

Walking directions to the entrance of the New York Structural Biology Center
89 Convent Avenue
New York, NY 10027 USA

Walking from the Aloft hotel
(~15 min. walk):

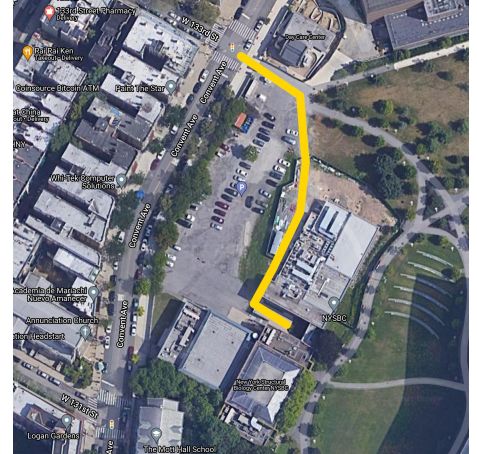

Subway Directions from further afar:

Take the express **A** or **D** lines, or the local **C** or **B** lines to the 125th Street stop. Walk one block west to Morningside Avenue. Turn right and walk eight blocks north (Morningside Avenue turns into Convent Avenue at 127th Street) to 133rd Street.

or

Take the **1** line to the 137th Street stop. Walk four blocks south to 133rd Street. Turn left and walk two blocks east to Convent Avenue.

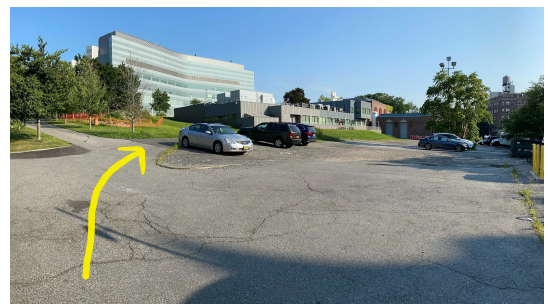

From Convent Ave. and 133rd St:

1) Enter through the gate at Convent Ave. & 133rd St. If you're coming in on foot, there's no need to stop at the guard house.

2) Walk past the guard house, towards the dirt parking lot and make a right onto the paved path that runs above the parking lot.

3) Follow the path along the building, past the picnic tables, and make a left to get to the front entrance. Push the buzzer and the front desk guard will open the door for you. Welcome to NYSBC!
