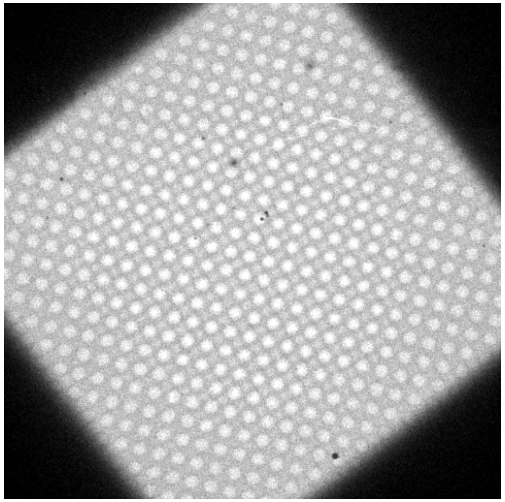
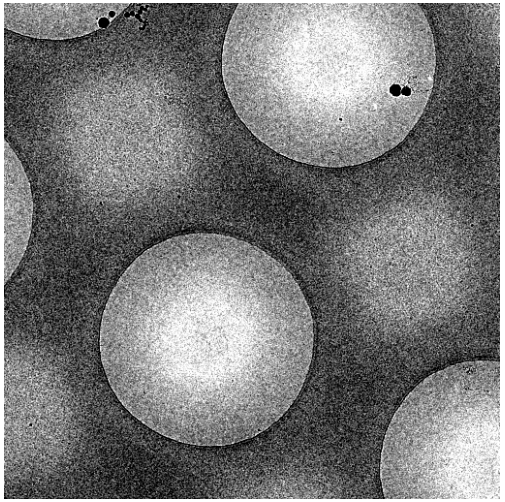
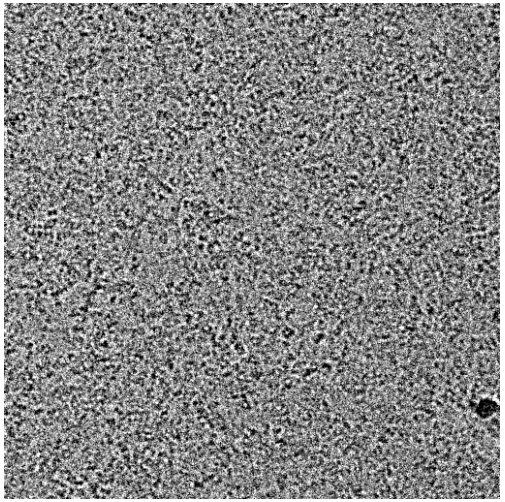
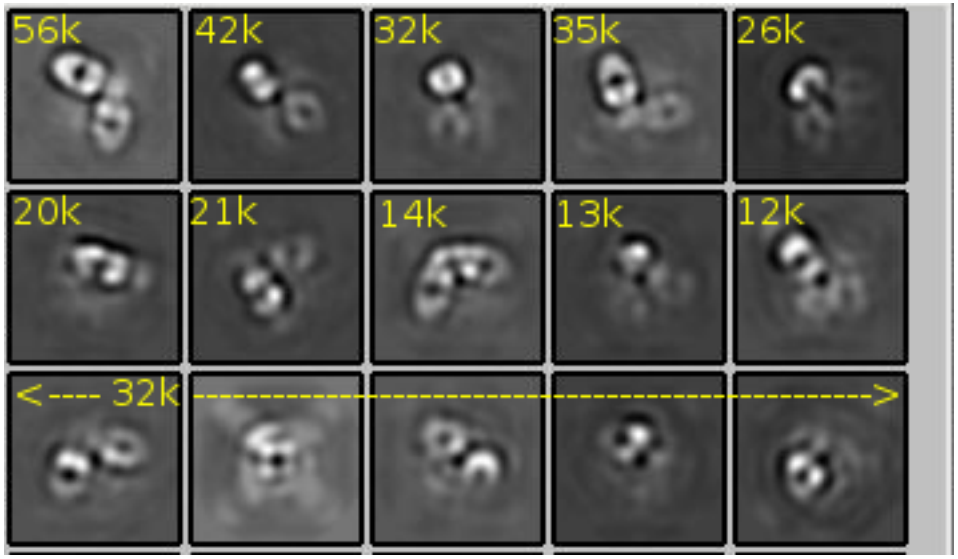
A.



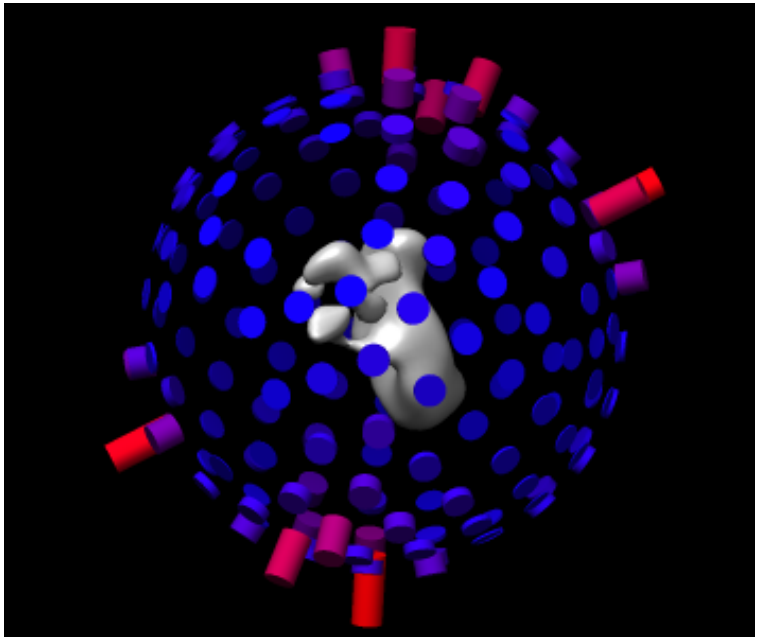




B.



C.



D.

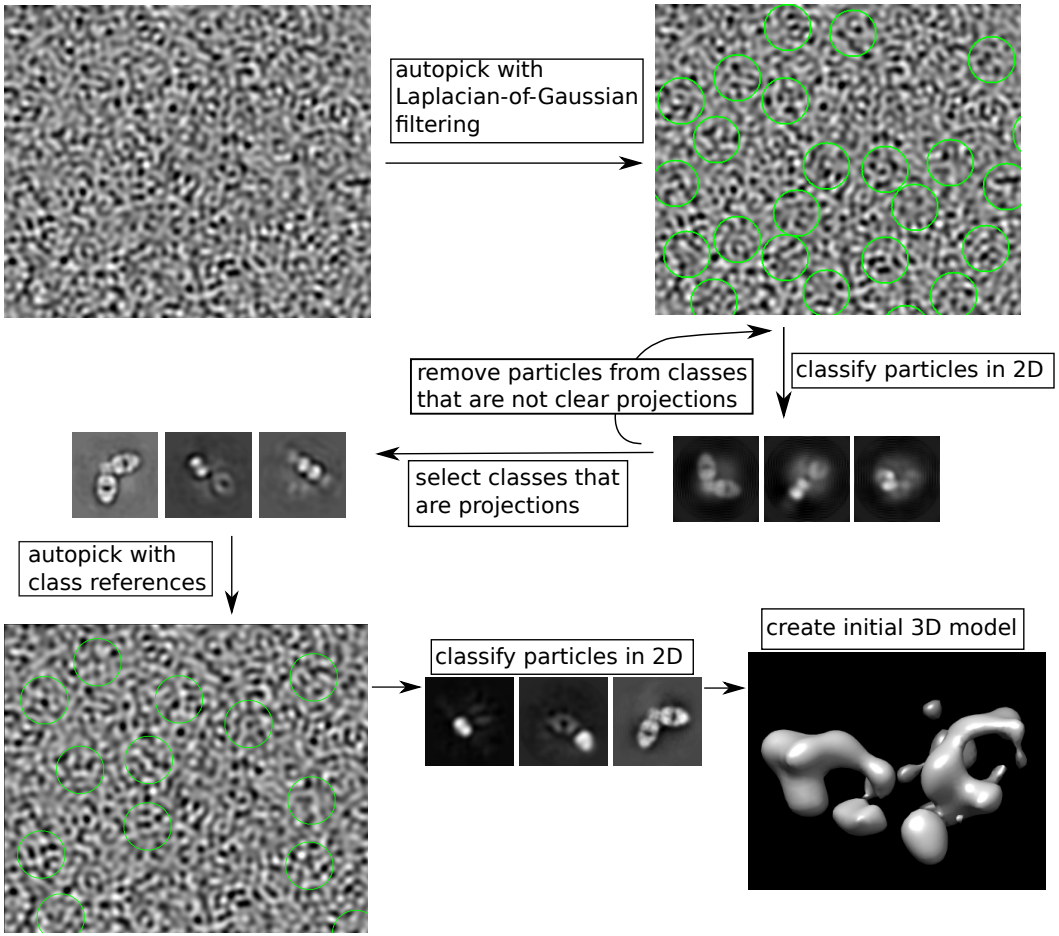


**Figure Legend**

A. shows, from left to right, a full grid view, a close-up showing ice quality, and a
B. field of particles. Although the field is quite crowded, we have been able to
C. pick particles from this grid. **B.** Shows some preliminary 2-D classes. **C.** Shows
D. essentially random Euler distribution. **D.** Depicts our current workflow for this
E. process.
